No.GPP/PWD/SCHEME/2011/

Dated:- 09/03/2011

**CIRCULAR**

The Ministry of Human Resource Development under the Government of India has a centrally sponsored scheme for integrating **persons with disabilities** in the mainstream of technical and vocational education. The **Government Polytechnic Panaji**, Altinho, Goa, has been identified to implement this scheme in the state of Goa. As such the Polytechnic has been able to conduct many **skill development programmes** and also accommodate these persons with disabilities in their regular **Diploma in Engineering programmes**. Faculty and resource persons are specially trained to effectively facilitate teaching and learning these programmes.

The students with disabilities are encouraged through provisions like scholarship, transport facilities or alternative financial incentives, escort allowance, supply of books/educational materials, uniforms, free boarding and lodging etc. Any person suffering from not less than **40% of any disability** as certified by a medical authority is **eligible to be sponsored** under this scheme.

Kindly **convey this information** to all who could avail of the benefit of this scheme so that they can provide us the details of all the eligible persons. This will enable **us to contact them** and integrate them in some technical/vocational skill development programmes in our Polytechnic. The regular Diploma programmes **commences in July** every academic year while the short-term skill programmes are designed need based.

We look forward for your support to strengthen our commitment to work for the success of this scheme

(Luis R. Fernandes)  
Principal/Chief Co-ordinator
